- Dates are subject to change - If we change the Support Workshop calendar dates we will advise attendees via email

Book online via our website (Students > Night Classes & Support Workshops) or visit <https://retac.setmore.com/>

IMPORTANT: Support Workshops are not Classroom Style Teaching - you must attempt the Unit's assessment/s before attending a Support Workshop

Support Workshops complement your learning experience. It is a short session designed to improve understanding and to trouble-shoot any issues you have encountered in completing assessments.

Before attending Support Workshops, you must read and be familiar with the learning material being covered on the day, and you must also have attempted your assessment/s.

Have your assessment/s readily available for the Support Workshop and the Trainer will assist you to resolve any issues you may have.

Support Workshops are not designed to be classroom training or revision for the units, or for the Trainer to spend time on assessments that have not been attempted.
