We are your #1 Choice for

- training flexibility

- training quality

- student support

- value for money

The 1-Day Workshop supplements the learning experience and is a short session designed to improve understanding and practical application of specific Forms and Documents as well focusing on the more important aspects of real estate. Bring your questions on the material to the 1-Day Workshop and your Trainer will assist you to resolve any issues you may have. Before attending the 1-Day Workshop, you are required to read and be familiar with the learning material being covered on the day. The 1-Day Workshop is not designed to be a day of revision or for the trainer to spend time on assessments.
